

## 2015 Team & Individual Photo Packages

The team at Click InFocus are very excited to be partnering with the Blue Mountains Kangaroos Junior AFL club this season to create lasting memories with new, fun and exciting team photos and photo products. Your club has also elected our Action Package which means we will be photographing your games throughout the 2015 season.

When purchasing any of our product range on the day of your team photo shoot or an Action Photo, your purchase is helping to raise money for your club. You will have the opportunity to choose from Digital Photos, Printed Photographs, Posters, Photo books and Action Photo products all season and at your leisure.

This year's team photo has been custom designed for your club. We have also designed custom individual photos and trading cards for your club. We hope you enjoy the wide range of photo products available. All photographs are printed on Kodak paper. Trading cards are printed using a digital press on 350gsm card stock.

This year your team photos will be taken on May 31<sup>st</sup>. A schedule will be released shortly. All orders can be paid via cash or Credit Card, details are included in the order form below. Order and payment envelopes will be distributed prior to your team photo shoot day.

We look forward to seeing everyone on the team photo day and throughout the season. Please call Denise at 0407 290 710 if you have any questions.
